Product Features

Mobile Cinema A50P is the perfect gadget for your MHL-or HDMI-enabled mobile device. The compact projector is simply connected via MHL- or micro HDMI- port and projects all your media content on a screen size of up to 150 cm (60 "). It doesn't matter which device you connect – it is immediately ready to start. Whether laptop, games console or digital camera - connect the A50P via HDMI and you have started your own private cinema. The DLP chip, known from great cinema projectors, provides rich colors and bold contrasts. Thus, Mobile Cinema A50P is not only an ultra-compact projector but also a powerful battery pack what makes this gadget unique.
