

MobileCinema i60

DLP Pico Projector for iPhone 6 & 6S

DLP light engine with RGB LEDs

Picture size up to 150 cm (60")

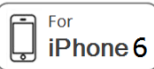

70 Lumen brightness

Power bank for iPhone charging

Made for iPhone 6 and HDMI media player

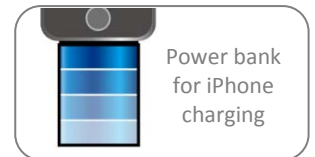

Art- No: 430053

Product Features

MobileCinema i60 is the perfect gadget for your iPhone 6 & 6S. The compact projector connects to your iPhone just like a second skin put on your iPhone and projects all kinds of media onto a screen size of up to 150 cm (60"). Simply connect, play and enjoy your private movie show. With its 70 lumens, MobileCinema i60 provides more than double the brightness of similar products on the market. Connect any HDMI media player via HDMI input port easily. The DLP chip in use, known from large cinema projectors, provides rich colors and high contrasts. The internal battery can also be used to charge your iPhone. Thus, MobileCinema i60 is not only an ultra-compact Pico projector, but also a powerful battery bank that makes this gadget really unique.

- DLP technology for sharp and colorful pictures
- Modern, energy-saving RGB LEDs for up to 20,000 hours lifetime
- 70 Lumen of brightness with 640 x 480 (VGA) Pixel resolution
